

Loft Report 25 March 2014-03-27

- The number of Pigeons in the Loft is currently 658 and we are expecting more within the next two weeks:

South Africa – 549

Germany – 60

Netherlands – 31

Belgium – 6

Zimbabwe – 9

Switzerland – 3

- There is still time for fanciers to enter pigeons.
- In the light of the current economic situation, as well as the fact that we did not put “unallocated reserves” in the loft, we are still positive in going forward. We believe that many fanciers will also activate their reserves and therefore we are happy with our entries at this point.
- To our loyal supporters – Thank you very much! Your continuous support is appreciated.
- To our new supporters – We hope that the experience will bring you great joy and pleasure.
- The pigeons are currently in a good condition.
- 587 Pigeons are already in the open part of the loft – the rest are still under the net.
- Our training programme is available on our website: www.dinokenglofts.co.za.
- We hope that our new “Four in One Competition” will be as exciting as our current! See our website for full information on the 2014 season.
- Some of our Internet Auctions are not yet finalized. We are still awaiting some payments in this regard.
- If you have not heard from us, all your pigeons are present in the loft and are healthy.
- The new racing season is starting soon! To all fanciers, may the 2014 Racing Season be a wonderful year for you and your pigeons!

Regards
