DINOKENG LOFTS

NUUSBRIEF/NEWSLETTER - AUGUST 2016

Hiermee weer `n bietjie nuus vanaf Dinokeng:

- Die duiwe is tans in `n baie goeie kondisie, hulle oefen baie goed en hulle kom baie goed vanaf oefen- en wedvlugte.
- Vere is sag en blink, neusvratte wit en oë blink.
- Ons grootste probleem huidiglik is drade, dit bly maar `n probleem by die jong en onervare duiwe. Omdat `n groot groep duiwe na een enkele hok terugkeer sien en ondervind ons dat drade `n groter probleem is as wat meeste dink.. Ek praat nie soseer van drade by die hok nie maar drade op hul roete.
- Ons is nou in die begin stadium van ons prysgeld wedvlugte en kompetisies met `n minimum van R200,000.00 as 1ste prys asook `n bakkie ter waarde van R157,000.00 op die spel. Die spanning en afwagting bou nou gelydelik op.
- Volg ons oefen en wedvlug uitslae op die internet www.dinokenglofts.co.za noukeurig en maak seker dat jou regte duiwe geaktiveer word aangesien daar baie pryse op die spel is.
- Kom geniet die Super Turbo wedvlugte saam met ons en ondervind ons rustige bosveld atmosfeer om `n braaivleisvuur en deel in die opwinding van die wedvlug en die „pools“.
- PEDIGREES:
  1. Ons probeer baie hard om `n goeie mark te skep vir julle duiwe.
  2. As jou duiwe goed doen op ons veilings kan dit baie van jou kostes dek en selfs uitloop op `n goeie wins.
  3. Vir ons om die beste pryse vir jou duiwe te kry het ons jou duiwe se pedigrees nodig so gou moontlik.
  4. Hoe gouer ons jou pedigrees op die internet kan plaas hoe gouer kan voornemende kopers begin kyk na wat beskikbaar is.
  5. Naas die Million Dollar wedvlug is ons huidiglik die hok in Suid-Afrika wat die beste pryse genereer.
  6. Met julle hulp en samewerking kan ons dit beduidend verbeter.
  7. Landwyd word al hoe meer suksesse bereik met Dinokeng gekoopte duiwe. Dit kan ook nie anders nie want van die beste duiwe uit van die beste hokke in Suid-Afrika loop deur ons hokke.
  8. Baie van die duiwe word geteël uit van die gesogste buitelandse en plaaslike rasse wat ten duurste aangekoop is.

9. Jy kry baie keer duiwe by ons veilings vir baie minder as wat jy sou betaal het deur dit direk by die eienaar te koop.

- Aan almal voorspoed met die wedvlugte en baie dankie vir julle ondersteuning ons waardeer dit baie.

Some news from Dinokeng:

- The pigeons are currently in a very good condition, they are training well with good returns from tosses and races.
- Their feathers are soft and shiny,they have white wattles and their eyes are bright.
- Our biggest problem at the moment are wires,it remains a problem for the young and inexperienced pigeons. Because a large number of birds return to a single loft,wires are a bigger problem than you expect not necessarily at the loft but wires encountered on route.
- We are in the early stages of our prize money and competition races, with a minimum of R 200 000.00 as 1st prize as well as a pick-up worth R 157 000.00 at stake.From now on there will be a steady build up of tension and suspense.
- Follow our training and race results on the internet at www.dinokenglofts.co.za .Please make sure that your correct pigeons are activated as there are many prizes to be won.
- Come and enjoy the Super Turbo races with us, experience the peaceful bushveld atmosphere around a braai-fire and share in the excitement of the race and the "pools"

- PEDIGREES:
  1. We endeavour to create a good market for your pigeons.
  2. If your pigeons do well at our auctions it can cover a lot of your costs and even result in a good profit.
  3. To ensure you get the best prices for your pigeons we need their pedigrees as soon as possible.
  4. The sooner we can display your pedigrees on the internet the sooner prospective buyers can see what is available
  5. Except for the Million Dollar Race auction we we are currently the loft in South Africa that generates the best price for your pigeon.
  6. With your continued assitance and cooperation we can improve it significantly.
  7. More success is being achieved countrywide with pigeons purchased at Dinokeng auctions. This is as a result of some of the best pigeons from some of the best lofts in South Africa coming through our loft.
  8. Many of the birds are bred from prestigious foreign and local strains that were purchased at great expense.
  9. It is therefore possible to purchase pigeons at our auctions for less than you would have paid otherwise.

- Best of luck to all our entrants and thank you for your continued support we truly appreciate it.

Duiwe Groete/Pigeon greetings

Banie & Meisie
