

DINOKENG LOFTS - NUUSBRIEF/NEWSLETTER JUNE 2018

Hiermee wil ek graag die volgende baie belangrike inligting met al Dinokeng se deelnemers deel:

- **SONDAG 08 Julie 2018** ons eerste wedvlug.
- Dit is ook die **eerste been** van die „**ACE BIRD**“ **Kompetisie** asook die „**FOUR IN ONE**“ **Kompetisie**.
- **ACE BIRD KOMPETISIE:**
 - a. Slegs betaalde (geaktiveerde) duive kan aan hierdie kompetisie deelneem.
 - b. Reserwe duive moet **voor Saterdag, 07 Julie 2018 betaal word (geaktiveer)** anders kwalifiseer hulle nie vir hierdie kompetisie nie.
 - c. **As duive die eerste been mis is hulle uit die kompetisie.**
 - d. Onthou – Die een wat nie betaal is nie mag dalk net die een wees wat vir jou die kompetisie kon gewen het.
 - e. **As jy enigins dink om van jou reserwes te aktiveer vir die Hoofwedvlug, doen dit nou, want dan kan hulle deel wees van die „Ace Bird“ Kompetisie. Hulle kan ook prysgeld wen op die Super Turbo Wedvlugte naamlik Bloemfontein 1, Bloemfontein 2 en Trompsburg.**
- **FOUR IN ONE KOMPETISIE:**
 - a. **R200.00 per duif.**
 - b. Vier kompetisies: „Knockout“ / „Champion of Champions“/ Span / “Tripple Crown” kompetisie.
 - c. Enige duif (betaalde of reserwe duive) mag geaktiveer word vir hierdie kompetisie.
 - d. Vir span kompetisie moet jy nou jou duive in spanne van drie nomineer. As jy net twee duive oor het kan jy hulle ook in `n span nomineer. Die reëls gaan bietjie aangepas word om spanne wat slegs 2 duive in het ook `n kans te gee. Die nuwe reëls word na punt (h) verduidelik.
 - e. Jy mag meer as een span inskryf – maksimum 3 duive in `n span.
 - f. Spanne mag nie reserwes hê nie. Jy kan nie `n verlore duif vervang met `n ander duif nie.
 - g. Al het jy nog net een duif oor kan jy hom teen slegs R200.00 nogsteeds inskryf want daar is steeds twee kompetisies waaraan hy of sy kan deelneem naamlik „knockout“ en, „Champion of Champion kompetisie.
 - h. Vir meer inligting, prysgeld ens. besoek ons webtuiste www.dinokenglofts.co.za en klik op „Brochure 2018“. Jy is ook welkom om my enige tyd te skakel by 082 872 4826.
- **NB: REËLS VIR SPAN KOMPETISIE BY FOUR IN ONE:**
 - a. Met ons vorige punte toekenning was dit feitlik onmoontlik om mededingend te wees as jy een duif uit `n span van drie verloor het.
 - b. Om dit moontlik te maak om steeds `n kans te hê, het ons besluit om die punte toekening soos volg te verander.

PUNTE TOEKENNING VIR SPAN KOMPETISIE:

- a. Op elke wedvlug word punte toegeken van 300 tot 1.
 - b. Met ander woorde 1ste duif op wedvlug kry 300 punte en 300ste duif kry 1 punt.
 - c. Die verskil is nou word die punte toegeken aan al die duive ongeag of dit ingeskryf is vir die Four In One Kompetisie of nie.
 - d. Slegs Four In One duive kry egter die punte waar hulle in die eerste 300 plek kry.
 - e. Voorbeeld: As slegs 3 Four In One geaktiveerde duive plek kry in die eerste 300 naamlik 10de, 20ste en 250ste kry net daardie 3 duive punte en soos volg:
10de kry - 291 punte
20ste kry - 281 punte
250ste kry - 51 punte.
 - f. Slegs die eerste twee duive van elke span verdien punte.
 - g. Ek glo hierdie manier van punte toeken sal dit moontlik maak om die kompetisie te kan wen met slegs 2 duive in `n span.
 - h. Die voordeel sal steeds lê by die span wat drie duive het, maar twee wat goed vlieg kan nou die kompetisie wen.
- **NB – Slegs deelnemers wat se rekening tot op datum vereffen is se duive kan prysgeld wen.**
 - **VIR KENNISNAME:** Die kompetisie wat deel vorm van Benzing se program word op Benzing onder die titel „Ace Pigeons“ geplaas. Op ons brosjure word daarna verwys as die „Grand Averages“ omdat dit in ons eerste paar jaar so bekend was op die Benzing program, voordat hulle die naam verander het na „Ace Pigeons
Dinokeng se „Ace Pigeon“ kompetisie strek net oor die VYF WEDVLUGTE, naamlik Ventersburg, Bloemfontein 1 en 2, Trompsburg en Gariëpdam.
Die „**Grand Averages**“ kompetisie wat deur Benzing herdoop is na „Ace Pigeons“ strek oor **al die oefenvlugte** wat op die internet vertoon word, waar al die duive gelyk gelos word asook die **vyf wedvlugte**.
Ek hoop dit is duidelik, as u nie verstaan nie is u welkom om my enige tyd te skakel.
 - **ONTHOU!! Almal is welkom om Sondag te kom kyk hoe die duive kom.** Bring eetgoed, stoele en eetgerei en kom geniet die kom van die duive saam met ons.
-

I would hereby like to share the following important information with all Dinokeng's participants:

- **SUNDAY 08 JULY 2018** our first race
- It is also the **first leg** of the "**ACE BIRD**" **competition** and the "**FOUR IN ONE**" **Competition**.
- **ACE BIRD COMPETITION:**
 - a. Only paid (activated) pigeons can participate in this competition.
 - b. Reserve pigeons **must be paid (activated) before Saturday, 07 July 2018** or they do not qualify for this competition.
 - c. If pigeons miss the first leg they are out of this competition.
 - d. Remember - the one that has not been paid may just be the one that could have won the competition for you.
 - e. If you are considering to activate your reserves for the main race, do it now, because then they can be part of the "Ace Bird" Competition. They can also win prize money on the Super Turbo Races namely Bloemfontein 1, Bloemfontein 2 and Trompsburg.
- **FOUR IN ONE COMPETITION:**
 - a. R200.00 per pigeon.
 - b. Four competitions: "Knockout" / "Champion of Champions" / Team competition/Triple Crown
 - c. Any pigeon (paid or reserve pigeons) may be activated for this competition.

- d. For the Team competition you must nominate three pigeons per team. If you only have two pigeons left, you can also nominate them as a team. The rules will be adjusted slightly to accommodate teams with only 2 pigeons. The new rules are explained after point (h).
- e. You may enter more than one team - maximum 3 pigeons in a team.
- f. Teams may not have reserves. You cannot replace a lost pigeon with another.
- g. If you only have one pigeon left you can still enter it for R200.00 to participate in the "Knockout" and "Champion of Champion" competitions.
- h. For more information, prize money etc. visit our website www.dinokenglofts.co.za and click on "Brochure 2018". You are also welcome to contact me at any time at 082 872 4826.
- **NB: RULES FOR TEAM COMPETITION AT FOUR IN ONE:**
 - a. With our previous scoring it was virtually impossible to be competitive if you lost a pigeon from your team of three.
 - b. To give all the birds a fair chance, we decided to change the points awarded as follows:

POINTS AWARDED TEAM COMPETITION:

 - a. In each race, points are awarded from 300 to 1.
 - b. Therefore the 1st pigeon home participating in the race earns 300 points and 300th pigeon earns 1 point.
 - c. The difference is now points are awarded to all the pigeons in the race irrespective if they are participants in the Four In One Competition or not.
 - d. However, participating Four In One pigeons only earn points if they are placed in the first 300 birds home from the race.
 - e. Example: If only 3 participating Four In One pigeons arrive home within the first 300 ie 10th, 20th and 250th only they will be allocated points as follows:
 - 10th - 291 points
 - 20th - 281 points
 - 250th - 51 points.
 - f. Only the first 2 pigeons from each team can earn points.
 - g. I believe that this way it will be possible to win the competition with only 2 pigeons in a team.
 - h. Teams with three pigeons will still have the advantage, but two pigeons that perform well can now win the competition.
- **NB! Only entrants that is fully paid up will be able to won any prize money.**
- **PLEASE NOTE:** The result referred to as "Ace Pigeons" on the Benzing program is referred to as "Grand Averages" in the Dinokeng Brochure. The reason being that the Benzing program changed the name of this result after the first few years. The **Dinokeng Ace Pigeon** competition is determined by only **five races** namely; Ventersburg, Bloemfontein 1 & 2, Trompsburg and Gariep Dam. The **Dinokeng "Grand Averages"** competition which has been renamed "Ace Pigeons" on the Benzing program is determined by **all the races** displayed on the internet where all the pigeons were released simultaneously, including the **five races**. I hope this clarifies the situation, please feel free to contact me at any time.
- **REMEMBER !! Everyone is welcome to join us on Sundays to await the pigeons arrival.** Bring food, chairs and cutlery and enjoy waiting for the pigeons with us. The braai fires are always packed.

Duiwe groete/Pigeon greetings.
