

## NUUSBRIEF/NEWSLETTER – NOVEMBER 2016

Goeie dag aan al Dinokeng se deelnemers, graag wil ek hiermee almal bedank vir hulle ondersteuning die pas afgelope seisoen en ons gelukwense aan al die prysweners. Indien jy nie hierdie jaar een van die prysweners was nie, probeer weer, 2017 mag jou jaar wees.

1. Die 2016 seisoen was in vele opsigte `n uitsonderlike seisoen:
  - a. Bywoning van ons wedvlugte en in besonder ons hoofwedvlug (Gariëp) asook BarZAlona (Richmond) was baie goed. Die atmosfeer, opwinding, afwagting, kuier en braai maak dit twee van die hoogtepunte van ons kalender jaar.
  - b. Die manier hoe die duive kom en die „returns“ van die duive wys dit is `n ware toets van vermoëns en kwaliteit.
  - c. Bo verwagte goeie steun het dit vir ons moontlik gemaak om in totaal R1,023,000.00 aan prysgeld uit te betaal. Die „Four In One“ kompetisie se prysgeld het R78 000.00 beloop en ons uitbetaling vir BarZAlona was ook `n rekord naamlik R266 000.00 wat `n nuwe bakkie (Nissan NP 200) ingesluit het.
2. Graag bedank ek almal wat ons ondersteun het en `n groot – vat vyf – aan al ons prysweners, om te wen teen die beste van TOP duiveboere, is inderdaad `n besondere prestasie en iets om op trots te wees. *Sien aangehegte lys van prysweners.*
3. Ons veilings doen goed as die huidige ekonomiese klimaat in ag geneem word asook die swak opbrengs van stambome. Met drie veilings wat nog moet plaasvind en diertien alreeds verby is, is die gemiddelde prys per duif R1 172.00.
4. Ons mikpunt bly om elke duif die beste moontlike kans te gee om te presteer in ons Hoofwedvlug. Integriteit is vir ons nie onderhandelbaar nie. Alle duive kry dieselfde behandeling en geen duif sal voorkeur behandeling kry nie.
5. Dinokeng se visie is steeds om die wedvlug groter en beter te maak.
6. Inskrywings fooie bly dieselfde R500.00 sitplek fooi per duif en R2 500.00 aktiverings fooi per duif. Die hok is alreeds oop vir nuwe inskrywings en bly oop tot 30 Maart 2017. Bring jou duive – onthou – om te volhard is om te oorwin.
7. Nuutste brosjure op ons webtuiste beskikbaar [www.dinokenglofts.co.za](http://www.dinokenglofts.co.za) asook alle ander nuus.

### WIE GAAN ONS 2017 WENNERS WEES?

Good day to all Dinokeng participants, I would hereby, like to thank everyone for their support over the past season and to congratulate all the winners. If you were not one of the winners this year, try again, 2017 may be your year!

8. The 2016 season was an exceptional season in many ways:

- d. Attendance of our races was very good , especially of our main race (Gariep) and BarZAlona(Richmond). The atmosphere, excitement, anticipation, socialising and braai makes it two of the highlights of our calender year
  - e. The performance and „returns“ of the pigeons show this is a true test of their quality and ability.
  - f. Receiving support that exceeded our expectation, made it possible for us to pay out a total of R 1,023,000.00 prize money.The “Four in One” Competition payout amounted to R 78,000.00 and a record payout for BarZAlona of R 266,000.00 which included a new vehicle (Nissan NP 200)
9. I would like to thank everyone who supported us and a BIG-take five-to all our winners. It is indeed a remarkable achievement and something to be proud of to compete against the best of TOP fanciers. *See attached list of prize winners.*
  10. Our auctions are doing well if the current economic climate and the lack of pedigrees being supplied are taken into account. With thirteen auctions completed and three still to take place the average price per pigeon is R1 172.00.
  11. Our goal remains the same to give each pigeon the best possible chance to succeed in our main race. Integretity is not negotiable, all pigeons receive the same treatment and no pigeon will receive preference.
  12. Dinokeng’s vision remains to make the race bigger and better.
  13. Entry fees remain the same R 500.00 perch fee per pigeon and R 2,500.00 activation fee per pigeon. The loft is already open to receive new entrants and remains open until 30 March 2017. Bring your pigeons- remember- to persevere is to overcome!
  14. Our latest brochure is available on our website [www.dinokenglofts.co.za](http://www.dinokenglofts.co.za) together with all other news.
