

PEDIGREE OF:

Red Cheque Cock
389-20-DIAS
"Red BOSS"

WEBSTER
Entered Dinokeng OLR 2021
This very well-bred cock is a full brother to:
"Zenyatta" 872-21-DIAS
Who was entered into CPL OLR 2021 season and achieved the following:
5th ACE pigeon
6th Race 5, 557km (toughest race of the program)
1026 winning velocity!!!!

All these top results versus 1405 initial entered ylg pigeons for the 2021 season as a late bred.

This young hen is certainly something extraordinary, she was entered into the loft in the last week of intake, marked in my book as 5/5 for handling before been entered. She certainly has all the attributes to become a star in the breeding loft as it is evident this family of pigeons have the genes that pass from one generation to the next.

Red Cheque Cock
0770-19-ZA/DPC
"Red Producer"

Bred for stock and hasn't disappointed with his first chick bred "Firefly", completing a tough Carnival Summer series including a 3rd on a hotspot and he has sired "Zenyatta" 5th ACE CPL 2021 yearlings when paired to a different hen.

His nestmate sister "Shadow" bred 8th ACE Carnival Summer in the same season.

This cock is going to still breed many super performing pigeons to come!!
