DV 2884-12-541 - ORNAT. 1st Place Car Average Winner 2012 in the South Africa Million Dollar Races. Out of the 8000 plus birds entered in the race from 49 countries, no one bred a better bird competing in the car races. Ornat won:
 51st Place Car Race #2 against 3,500 birds
 22nd Place Car Race #3 against 3,338 birds
 28th Place Car Race #4 against 3,299 birds
 93rd Place Car Race #5 against 2,980 birds
 103rd Place - Final Race - 553 km / 2,793 birds

ORNAT - one of the Big 5 of Africa that dominated the South Africa Million Dollar Races. He is the perfect racing pigeon - medium in size, super strong body, clever look and most important - he has race results that are second to none! Plus ORNAT's bloodline is completely bred from national winners - the bloodlines that win from 200 to 450 miles against the best blood in the world. I am sure that ORNAT will be one of my top breeders for many years to come. Now breeding here at Ganus Family Loft.

DV 8857-11-177 - SORAIA. 1st Place Knock Out Winner South Africa Million Dollar Races 2011. She also won:
 19th Place Hot Spot Car Race #1 against 4,462 birds
 34th Place Hot Spot Car Race #4 against 4,037 birds
 16th Place Hot Spot Car Race #5 against 3,856 birds
 36th Place - Final Race 578 km

The South Africa Million Dollar Races are flown in the direction with unfavorable headwinds, extreme high temperatures near 100 degrees, coupled with high humidity. It is not a flight for the average pigeon. With these race conditions only the best bred pigeons - smart pigeons - with the ability to race to win for more than 10 hours will be successful.

SORAIA, one of the Big 5 South African Million Dollar racers now breeding here at Ganus Family Loft.
