

## NUUSBRIEF/NEWSLETTER – JUNE 2024

Goeie dag, hiermee die volgende inligting:

- Die duiwe in `n baie goeie kondisie, vere is sag en glad en hulle oefen baie goed.
- Oefenprogram vorder goed, ons is tans op ± 90km en na een of twee riller oefenvlugte staan ons nou op ± 650 duiwe.
- Ons 1ste "live" oefenvlug ± volgende week Woensdag of Vrydag. Sal laat weet op die WhatsApp groep.
- As almal hulle duiwe betaal sal die prysgeld R2,000,000.00 wees, ongelukkig kan ons dit nog nie vasmaak nie omdat baie aktiverings gelde nog uitstaande is.
- Aangesien inskrywingsfooie **betaalbaar was voor of op die einde April** sal daar nou drasties na die situasie gekyk moet word.
- Dankie aan almal wat Dinokeng hierdie season ondersteun ons waardeer dit en ons hoop julle duiwe sal dit vir julle `n vreugdevolle seisoen maak.

Duiwe groete.

Good day to all, herewith the following information:

- The pigeons in very good condition, feathers are soft and smooth and they train very well.
- Training program is progressing well, we are currently at ± 90km and after one or two horrible training flights we are now at ± 650 pigeons.
- Our 1st "live" training flight ± next week Wednesday or Friday. Will let you know on the WhatsApp group.
- If everyone activate their pigeons the prize money will be R2,000,000.00, unfortunately we cannot fix it yet because many activation fees are still outstanding.
- Since registration fees **were payable before or at the end of April**, the situation will now have to be looked at drastically.
