

HOOFWEDVLUG/MAIN RACE - 04 SEPTEMBER 2022

Goeie dag aan almal,

Ons het 'n baie goeie wedvlug vanaf Trompsburg (556km) gehad. Die duive is besig om hulle top vorm te bereik vir ons finaal Gariep (624km). Hulle is tans in baie goeie kondisie en die tekens is daar vir 'n baie opwindende finaal vir ons seisoen.

Die kwaliteit van die duive verbeter elke jaar en alles dui op 'n "Ding Dong" einde vir ons finaal en BarZAlona wedvlug. Die "Big Money Race" is die kersie op die koek.

Al die verskillende kompetisies is besig om op te bou na 'n klimaks met verskillende duive wat meeding vir die top posisies, soos daar gesien word met die wedvlugte en met die "Ace Bird" posisie wat konstant verander. Moenie onkant betrap word met julle reserwe duive nie, daar is baie goeie duive wat net onder die radar beweeg. Ons bereik nou die gedeelte van ons wedvlug program waar die wedvlugte langer en moontlik harder gaan wees as gevolg van die moontlike noord-weste winde. Daar is 'n groot moontlikheid dat ander duive nou gaan begin deurkom.

Good day to all,

We had a very good race from Trompsburg (556km). The pigeons are reaching top form for our final race from Gariiep (624km). They are currently in very good condition signaling an exciting finish to our season.

The quality of the birds improves every year and everything point to a “Ding Dong” finish for our final and BarZAlona races to come. Do not forget our Big Money Race that will be the cherry on top. All our competitions are building up to a climax with a lot of pigeons competing for the top positions, as we witnessed in our races and with the Ace Bird positions constantly changing. Don’t get caught off guard with your reserve birds, there are a lot of very good birds featuring just below the radar. We now reach the part of our racing program where the races will be longer and possibly harder due to the possible north-west winds. There is a great possibility that other pigeons will now start performing.
