

NUWE WEDVLUG PROGRAM/NEW RACE PROGRAM

2024

Goeie dag, hiermee die volgende nuwe inligting in verband met die wedvlug program:

1. Omstandighede wat my laat besluit het om `n klein aanpassing aan die wedvlugprogram te maak vir die onthalwe van die duive om die basis te versterk waarvan afgewerk kan word:
 - Duive wat laat teruggekome het van ons Koppies oefenvlug.
 - `n Veldbrand wat oor die teerpad gespring het en die veld rondom die hok afgebrand het met gepaardgaande baie rook in en om die hok.
 - Die beplande Kroonstad oefenvlug wat vir Maandag, 08 Julie beplan is kan dus nou nie plaasvind nie.

Good day, herewith the following new information regarding the race program:

1. Circumstances that made me decide to make a small adjustment to the race program for the sake of the pigeons and to strengthen the base to work from:
 - Pigeons that came back late from our Koppies training flight.
 - A field fire that jumped over the tar road and burned the field around the loft with a lot of smoke in and around the loft.
 - The planned Kroonstad training flight which was planned for Monday, 08 July can therefore not take place.

ALL RACES WILL TAKE PLACE ON A FRIDAY
