

DINOKENG – NEWS LETTER - 12 AUGUST 2014

- Congratulations to all prize money winners, best of luck for all entrants for our Final Race.
- All the big prizes are still up for grabs; activate your reserve pigeons to prevent possible disappointment.
- Our last Super Turbo Race (Trompsburg) was a very difficult race but I think a much needed training flight to get ready for our Main Race.
- Club entrants must remember this year they can enter their reserve pigeons also for the club competition.
- Congratulations to Stanley & Alta Viljoen for an unbelievable performance with their pigeons Goldring and Goldwinner. This two pigeons came in 1st and 2nd in two races in the same sequence. Goldring also came 1st in our 2nd Super Turbo Race (Bloemfontein II). Surely an extraordinary performance.
- Congratulations to Gaddin Bros & Charl Stander with their pigeon Hataman who is currently leading the Ace Bird Competition. Hataman is also one of only two pigeons still in the Champion of Champion Competition. Hataman is also one of only 13 pigeons through to the final race in the Knockout Competition. The partnership of Gaddin Bros. & Charl Stander is also leading the point's competition with one race to go.
- Congratulations to Penkin/Gaddin/Stander Syndicate. Their pigeon Toggas is the only other pigeon still in the Champion of Champions Competition. Toggas is also one of 13 pigeons through to the final race in the Knockout Competition and is currently in 4th place in the Ace Bird Competition.
